Fresh (Itch.io Build) - Friday Night Funkin'

EDIT COMMENTS (1) SHARE

"Fresh (Itch.io Build) - Friday Night Funkin'" was a high quality rip of the itch.io build of "Fresh" from *Friday Night Funkin'*.

Jokes

This rip plays gameplay footage of a modded version of the level with the following changes:

- Daddy Dearest is replaced with a *CrazyBus* bus that "sings" portions of *CrazyBus*' notorious title screen theme.
- The Boyfriend sings the *CrazyBus* theme until 0:59, where he sings "GO MY WAY!!" in reference to the rip "Title Screen - CrazyBus".
- As is customary with most *Friday Night Funkin'* rips, the Boyfriend dies with blue balls despite winning the level.
